## SUMMER PROGRAMS FAQs

*What is the Summer Reading Club?*

Children read or are read to each week, fill out a reading log, and receive prizes! All children (from baby until 5<sup>th</sup> grade) are invited to join our free program. You need to be a member of the Summer Reading Club to register for other summer programs.

*When does registration for the Summer Reading Club begin?*

Registration begins on June 21 and the program runs from June 21 until August 17. Registration will take place in the Children's Room.

*Do I have to register for storytimes and other kids programs?*

Due to the high demand of summer children's room programs and storytimes, we will be utilizing a lottery based registration system for our registration only summer events; these events are specially marked on the Children's Room calendar. Lottery registration begins on June 1 and ends on June 16. Registration will be mail/drop in only and the forms may be found on the Web site or at the library. Parents/Caregivers will be notified as to which programs the child was registered in. Children must be members of the Summer Reading Club before participating in other library summer programs. More information is available on our Web site. Please do not hesitate to e-mail [missanna@northbrunswicklibrary.org](mailto:missanna@northbrunswicklibrary.org) if you have questions.
